### A MESSAGE FROM OXFORD COMMUNITY FOUNDATION (OCF) ABOUT COVID-19

OCF'S top priority is the health and safety of our community. We are monitoring the developing situation of COVID-19 and are taking direction from the Southwestern Public Health Unit on our response.

The OCF office is closed and our Annual General Meeting originally scheduled for Thursday, April 23rd has been postponed. Despite our office closure, we remain operational with staff working remotely. Please reach out to us via email and we'd be happy to assist you. As we strive to be proactive about our health, we are available to take meetings with you over the phone. Please leave a message at 226-667-6404 and we will return your call promptly.

We know that times like this can be especially difficult for our community's most vulnerable. If you would like to donate to support our community and those who may be negatively impacted by COVID-19, please email me at [lwardrop@oxfordcommunityfoundation.org](mailto:lwardrop@oxfordcommunityfoundation.org)

We understand this is a disruptive and uncertain time and are doing our part to help keep our community safe. This is a rapidly changing situation and we will continue to evaluate the circumstances and adapt our response as needed.
